HAVE YOU EVER CONSIDERED

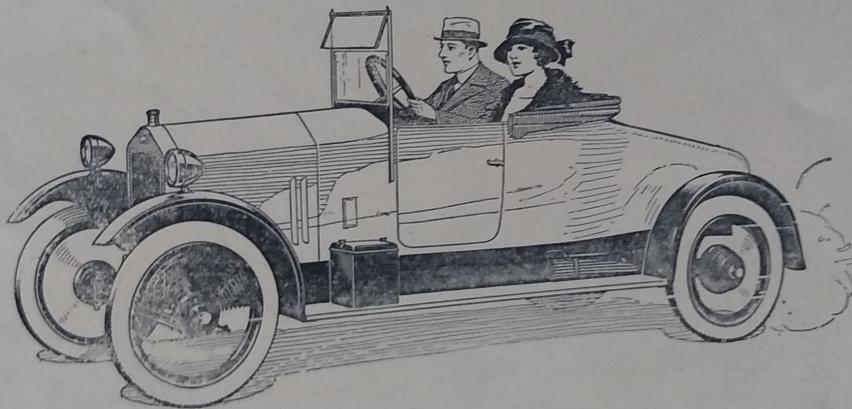

HOW MANY DIFFERENT MAKES OF CARS THERE ARE?

THERE are so many different Makes and Types of Cars made that it is an extremely difficult matter to make a Selection. But in choosing a Car, we can, by our Experience and Advice, assist you, if you will make use of us.

WE ARE NOT AGENTS

For every Make of Car, that would not be possible, but we can Supply any Make of Car and give you a Demonstration Run at any time, without you incurring the smallest obligation. Moreover, we will be only too happy to give you our honest and candid opinion on any make, to help you in selecting a Car which meets all your needs.

CALL IN AT STONE STREET and discuss Car matters with us. Whether it be the Sale of a new Car, the Sale of your old one, or Repair Work, you will receive the same courteous attention, and we undertake to make you a permanent and satisfied Customer.
